Dear Georgia Dental Provider:

Avesis would like to take a moment to thank you for your continued participation in our network. Now that we have completed ten months of administration for the Georgia Medicaid dental program on behalf of our CMO partner – Peach State Health Plan - we wanted to inform everyone in our dental network about some important issues and changes coming in the program. To that end, as promised, we will be hosting a series of provider education and update sessions. There will be another session in the Atlanta area in June. Notification of these sessions will follow. Some of the topics covered in these sessions will include:

- Program changes
- Assistance with claims
- Web portal navigation
- Prior Authorization procedures
- Hospital and IV sedation procedures

These sessions will be held at the following locations:

There will be additional sessions in the Atlanta area in June. Notification of these sessions will follow. Providers are encouraged to attend or send staff to these meetings in an effort to stay abreast of the most current information regarding the program. Thank you in advance for your time and attention. We look forward to serving you and your staff in meeting the dental needs of Georgia Medicaid Members in your community. Please contact (800) 231 – 0979 should you have any questions regarding these sessions.
